Via Bernardo Clesio, 5 - Trento (TN)

Klaus Busam

*Memorial Sloan-Kettering
Cancer Center, New York, USA*

Lorenzo Cerroni

*Department of Dermatology
Medical University of Graz, Austria*

Thomas Mentzel

*Reference Center for Dermatopathology
Friedrichshafen, Germany*

In partnership with

AIM OF THE SEMINAR

The seminar consists of a number of lectures covering selected hot topics in diagnosis and management of skin neoplasms followed by case presentations through digital slides and screen projection microscope.

Participants are encouraged to actively interact with the faculty during both the discussion sessions and the case presentation sessions. We want to create a warm and inclusive environment where all participants feel comfortable asking questions and bringing their personal experience.
